#### **UNRWA's strategic objectives**

The mission of UNRWA is to help Palestine refugees achieve their full potential in human development under the difficult circumstances in which they live. In line with this mission, the Agency works towards five strategic outcomes: (a) Palestine refugee rights under international law are protected and promoted; (b) Palestine refugee health is protected and disease burden is reduced; (c) school-age children complete quality, equitable and inclusive basic education; (d) Palestine refugee capabilities are strengthened for increased livelihood opportunities; and (e) Palestine refugees are able to meet their basic human needs of food, shelter and environmental health. UNRWA is funded almost entirely by voluntary contributions from UN member states, regional bodies, business foundations and individual contributions.

#### **Requirements**

UNRWA regularly requires technical experts and managers with international experience to perform specific professional level assignments related to oversight services: internal audit, evaluation and investigations. For the Internal Oversight roster, UNRWA invites applications from interested professionals with substantial experience in audit evaluation, investigations, ethics, etc.

Successful Roster applicants should have several years of broad international experience in their field of work, solid academic qualifications from accredited universities and academic

Assignments can be at UNRWA Headquarters locations (Amman, Jerusalem, Gaza) or one of five Field Offices (Amman, Damascus, Beirut, Jerusalem, Gaza).

### **Remuneration**

Remuneration and other contractual modalities will depend upon the needs of the assignment and the candidate's qualifications, experience and the level of expertise.
